LOVE LAKE MAC CRUISES

MV Lady Mac has a reputable history in marine tourism. She started as a single deck vessel, the "Nambucca Princess". The addition of the upper level saw an Alfresco deck, Captains helm and boom net. She became the "River Princess", most recently operating in Port Macquarie. After extensive equipment and interior refurbishment, she outgrew her princess title and settled in to her Lake Macquarie home as the "Lady Mac".

The "Lady Mac" truly is the finest lady of the lake. Step aboard and be greeted by her welcoming crew. We'll share what we love about the spectacular waterways of Lake Macquarie with you.

Celebrate any occasion with your friends, family or colleagues onboard the Lady Mac and you'll be able to take advantage of the PA entertainment system, CD/DVD/42"TV, Alfresco sundeck or boom net.

Private charter options are numerous and easily customised for your group. Prices are based on a minimum of 40 pax (off peak) and 50 pax (peak). Contact our office for availability and pricing.

Seated dining for up to 60 people across 2 levels, informal dining 70 people. LICENSED TO CARRY 120.
